

2010
E-SERIES **BUILT**
Ford
TOUGH

Thank you for your interest in the **2010 Ford E-Series**. Included in this brochure you'll find information about:

Versatility: Power, strength, comfort, and versatile cargo-carry capacity – these full-size features have made E-Series America's choice over the past 30 years.

Technology: Standard AdvanceTrac® with RSC® and available Ford Work Solutions™ are advanced technologies you'll find in the best-selling E-Series.

Comfort: Full-size comfort is a big E-Series feature. Get inside an E-150 XLT Premium with its leather-trimmed seating and Ford SYNC® and see for yourself.

Entertainment: Enjoy spacious comfort, and listening pleasure too on every trip short or long, with E-Series' outstanding entertainment features.

Dealer Information

Rob Sight Ford Lincoln Mercury	13901 Washington Street Kansas City, MO 64145	(816) 941-1200
Blue Springs Ford Lincoln Mercury	3200 South Outer Rd Blue Springs, MO 64015	(816) 229-4400

EXPERIENCED MY FORD YET? Get an inside look at the benefits of Ford ownership at the My Ford owner Web site. It's a one-stop spot for managing important vehicle information – 24/7, whenever you need it. It's free to register for personalized maintenance schedules, incentives and offers, and much more. You can even access your Ford Credit information and online bill payment services. Log on to www.myford.fordvehicles.com to get started.

FREEDOM of CHOICE

That's just one benefit of North America's **biggest selection** of full-size vans, cutaways and wagons — along with strength, flexibility and **Built Ford Tough®** determination. It moves people and products in so **many configurations**. And with every chassis boasting a **GVWR of over 8500 lbs.**, it's easy to design vehicles to suit your needs. No wonder trades, fleets, institutions and community organizations have made these hardworking vehicles the **best-sellers in their class¹** since 1979.

Front: E-250 Cargo Van in Oxford White; Rear (left to right): E-350 Cutaway in Oxford White with Cube Van Upfit, E-350 Cutaway in Oxford White with Service Body Upfit, E-350 Cutaway in Oxford White with Cube Van Upfit, E-350 Cargo Van in Oxford White, E-350 Cutaway in Oxford White with Service Body Upfit; all with available equipment

E-SERIES STRENGTHS

- 10,000-lb. maximum tow rating²
- Factory Trailer Brake Controller option
- Vocation-specific racks and bins
- Huge range of aftermarket upfits
- Available AdvanceTrac® with RSC® (Roll Stability Control™)
- Optional Ford Work Solutions™ productivity tools³
- Ambulance Prep Package now available with 6.8L V10 gas power⁴
- New 225-amp heavy-duty alternator
- New optional Ford SYNC® voice-activated communications and entertainment system⁵
- All sideview mirrors now include spotter lenses
- New Mid-Series Exterior Upgrade Package
- Updated High-Series Exterior Upgrade Package

¹Full-Size Van class. ²Properly equipped. ³Select availability. ⁴Late availability. ⁵Limited availability. See your Ford Dealer for details. ⁶See your Ford Dealer for details. ⁷Available with gas engine applications only. Vehicles throughout this PDF may be shown with optional and aftermarket upfit equipment.

E-SERIES POWERTRAINS

FLEXIBLE FUEL: 4.6L/5.4L GAS V8 FFVs

All E-Series 4.6L and 5.4L gas engines are Flexible Fuel capable. Ford Flex Fuel Vehicles (FFVs) give you the power of choice. E85 or gasoline? FFV lets you decide right at the pump. Both E-Series FFVs can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any combination of the two. Since Ford introduced FFVs back in the mid-1990s, we've put nearly 2 million on the road, with a stream of refinements along the way.

Ford engines are at the heart of E-Series' versatility and capability. Step up to the 5.4L V8 FFV to get extra punch for high-capacity applications. Its SOHC architecture pumps out 255 hp and 350 lb.-ft. of torque across a wide powerband.

CNG/LPG FUEL-CAPABLE GAS POWER

Enables 5.4L V8 and 6.8L V10 gas engines to run on Compressed Natural Gas (CNG) or Liquefied Petroleum Gas (LPG).⁶ Modifications include hardened intake and exhaust valves as well as hardened valve seats.

6.8L GAS V10

For best-in-class gas torque, opt for an available 6.8L V10. Its Electronic Throttle Control (ETC) modulates torque at the drive wheels for smooth, seamless engine response.

6.0L POWER STROKE® V8 TURBO DIESEL⁵

This proven workhorse pumps out 235 hp and generates an impressive 440 lb.-ft. of torque. Cast-iron block and heads withstand the combustion pressures of peak diesel operation. The robust design also features a stiff bedplate, which enhances durability. The Power Stroke is backed by a 5-year/100,000-mile limited warranty.⁵

FORD'S MOST RUGGED TRANSMISSION

Proven on F-Series Super Duty® Chassis Cabs and Pickups, the available TorqShift® 5-speed automatic transmission is designed for the high torque outputs of powerful E-Series engines. An innovative Tow/Haul Mode⁷ reduces gear hunting when towing and uses engine braking when descending steep grades.

E-Series Cargo Van in Medium Flint with available equipment

MAX UTILITY AND CONNECTIVITY

ALL BUSINESS: HELPING YOU GET WORK DONE.

Get in, get comfortable and get to work. The instrument panel offers intuitive controls, and a host of standard features and options makes E-Series more convenient and productive. A warm welcome is waiting.

A. MESSAGE CENTER OPTION

Provides important information such as tire pressure, miles to empty, average fuel economy, as well as systems checks for fuel level and much more. Includes engine-hour meter.

B. UPFITTER SWITCHES

These available switches can operate up to 4 high-power relays for heavy-duty accessories. A super-clean installation that's pre-wired and ready to go.

C. MANUAL FRONT AIR CONDITIONING

Standard on all vans, cutaways and wagons.

D. ROOMY CENTER CONSOLE

This standard feature has lots of usable storage, and the upright storage bin holds clipboards or a laptop.

YOU TALK. SYNC LISTENS.[™] FORD SYNC[®] FEATURES 911 ASSIST,[™] PLUS TRAFFIC, DIRECTIONS AND INFORMATION

Fair warning: Once you start this conversation, you'll never want to stop. This remarkable traveling companion is an available **Ford-exclusive technology**, developed in association with Microsoft[®]. Simply plug in your MP3 player or thumb drive. Along with your paired Bluetooth[®]-enabled mobile phone, instantly you can select your music, make calls and get information, **all with simple voice commands**¹. Plus, 911 Assist dials for help from your phone if any airbag deploys (directly to a 911 operator, not to a call center, like other systems)². For all the latest details, visit SyncMyRide.com.

SYNC INCLUDES ALL THESE USEFUL FUNCTIONS:

- Turn-by-turn directions³
- Traffic alerts³
- Up-to-the-minute weather³
- Business searches³
- Vehicle Health Reports
- Personalized news: business, sports, entertainment and more³

NAVIGATION WITH SIRIUS TRAVEL LINK[™]

Easy voice activation for everything from driving directions to accessing tunes. Displayed on a bright 6.5" LCD touch screen, the available Navigation Radio System also provides nearly 10 gigabytes of storage space for your photos and music (up to 2400 songs). Class-exclusive SIRIUS Travel Link⁴ comes with a 6-month trial subscription to keep you in the know with up-to-the-minute local traffic, weather, fuel prices, sports scores, and movie listings with showtimes. All at your fingertips.

SIRIUS[®] SATELLITE RADIO

Available SIRIUS Satellite Radio⁴ comes with a 6-month trial subscription: Get more than 130 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment, coast-to-coast.

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ²The vehicle's electrical system (including the battery), the wireless service provider's signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed. ³These SYNC services not available with optional Navigation System or SIRIUS Travel Link. See your dealer for details. ⁴Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Service available in the 48 contiguous states and Washington, D.C. Subscriptions are governed by SIRIUS Terms and Conditions at sirius.com/serviceterms.

STRONG & Stable

Put E-Series' massive towing capabilities (up to 10,000 lbs.¹) to their best use with available cutting-edge features like the Integrated Trailer Brake Controller, Rear View Camera and more. They're all designed to help you tow big, while remaining smartly in control.

A. SUSPENSION AND STEERING

The front sway bar helps deliver solid handling. Front and rear shocks are tuned to deliver a smooth ride. The steering gear boost-curve provides excellent road feel and steering feedback to the driver.

B. CLASS-EXCLUSIVE STANDARD V8 OR AVAILABLE V10

E-Series is the only cargo van in its class to come with a standard 4.6L V8 FFV engine. E-Series gas engines feature a silent-design cam drive for smooth, quiet operation, plus a fail-safe cooling system and a 90,000-mile scheduled tune-up interval.² For massive power and torque, choose the available 6.8L gas V10.

C. CNG/LPG FUEL-CAPABLE GAS POWER

5.4L V8 and 6.8L V10 gas engines are now available to run on Compressed Natural Gas (CNG) or Liquefied Petroleum Gas (LPG).³ Modifications include hardened intake and exhaust valves as well as hardened valve seats.

D. HEAVY-DUTY BRAKE SYSTEMS

Large front and rear rotors and calipers provide a huge swept area for sure stopping power. Robust components and pad materials promote low operating temperatures while supporting heavy-duty capability and durability. Standard on all 2010 E-Series.

E. BODY-ON-FRAME CONSTRUCTION

E-Series' rugged ladder frame is the foundation for a maximum available GVWR of 14,500 lbs., the best in its class. Available front GAWR peaks at a class-leading 5000 lbs.

F. HOTCHKISS REAR SUSPENSION

The Hotchkiss solid-axle design allows various model-specific spring and axle ratings for a wide range of capacities.

G. FACTORY-INTEGRATED TRAILER BRAKE CONTROLLER

This sophisticated option uses braking input, vehicle speed and information from the vehicle's Anti-lock Brake System (ABS) to balance the performance of the van brakes and electric trailer brakes.⁴ It's technology you won't find on any other full-size van.

EFFECTIVE STABILIZATION

AdvanceTrac[®] with RSC[®] (Roll Stability Control[™])⁵ is class-exclusive technology. It's standard on any Wagon or Recreational Van equipped with a gas engine, and optional on Commercial Vans when equipped with gas engines. Working in conjunction with the Anti-lock Brake System (ABS), traction control and yaw control, the system automatically determines when and how to apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.

¹Properly equipped. ²Under normal driving conditions with routine fluid and filter changes. ³Late availability. See your Ford Dealer for more information. ⁴TBC verified to be compatible with electronically controlled drum brakes. ⁵Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit fordvehicles.com.

E-SERIES **BUILT FORD TOUGH** 2010

Your business,
ON BOARD

Ford Work Solutions In-Dash Computer with Wireless Keyboard, available Wireless Printer and available equipment

SMART TOOLS FOR TOUGH TRUCKS

Only the toughest name in trucks could assemble this all-star lineup. From communications and computing to navigation, fleet tracking and security, every position is filled by a pro.

A. MOBILE-OFFICE COMPUTING POWER

The available Internet-capable in-dash computer, featuring a Windows® CE operating system, is the heart of Ford Work Solutions™¹ Use the wireless keyboard to create spreadsheets and other documents, download files from the web via the Sprint® Mobile Broadband Network² – even print them when you add the available wireless printer. Full-function hands-free calling and turn-by-turn navigation from Garmin® are also included. Your office has truly gone mobile.³

B. TOOL LINK™

Ford Work Solutions Tool Link,⁴ developed with DeWALT®, uses Radio Frequency Identification (RFID) technology to track your tools. Use it to check the truck before you leave for a job, making sure you have what you need, then check again at the end of the workday to see that all your gear is on board. It can save you time and frustration – the perfect workmate.

C. CREW CHIEF™

Put available Crew Chief telematics devices on your fleet trucks, and you can track 'em, 24/7. Just pull up the website using the Ford Work Solutions in-dash computer in your truck, or any computer with web access. Crew Chief, offered by Microlise,⁵ shows which truck is closest to the job you need done. It can also provide information that's vital to the life of your trucks and your profits. Easy-to-use analysis tools⁵ can help you keep your fleet in shape, fuel efficient and green.

¹Ford Work Solutions include Ford Licensed Accessories. See dealer for limited warranty details. ²Sprint subscription and 1-year agreement required. ³Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. To avoid driving distractions, some functions are disabled while the truck is in motion. ⁴Tool Link RFID system cannot read tagged tools in metal tool boxes. ⁵Service fee required.

Windows is a registered trademark of Microsoft Corporation. DeWALT is a registered trademark of DeWALT Industrial Tool Company used under license. Garmin is a registered trademark of Garmin Ltd. Microlise Group Limited is a company registered in England and Wales with company number 1670983. Sprint and the logo are trademarks of Sprint. Sprint Mobile Broadband Network reaches over 249 million people. Coverage not available everywhere. See Sprint.com/coverage for details.

E-250 Extended Length Cargo Van in Royal Red with available equipment

A WIDE RANGE OF ABILITIES

E-Series Vans provide **flexibility** to adapt to your trade, **capability** to do the job, and **durability** for the long run. Up to **278 cu. ft.** of available cargo room features standard **double-wall construction** to help protect outer body work from shifting loads. As always, E-Series Vans offer you **lots of choices**: 4 combinations of engine/transmissions, the TorqShift® 5-speed automatic with Tow/Haul Mode,¹ gasoline or diesel power, sliding or swing-out side cargo doors, windows all around or panel sides, **no-charge racks and bins packages**, and trade-specific **upfitter packages**. The challenges are out there. E-Series is ready to meet them.

¹Gas engine applications only. ²Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements.

MAXIMUM CAPABILITIES (LBS.) ²	GVWR	PAYLOAD
E-150 VAN	8520 – 8600	3240
E-150 EXTENDED VAN	8600	3180
E-250 VAN	8900 – 9000	3610
E-250 EXTENDED VAN	8900 – 9000	3460
E-350 VAN	9500	4040
E-350 EXTENDED VAN	9500	3900

A. REAR VIEW CAMERA

Activated when you shift into reverse, this option shows a rearview video image that includes a center line and distance guides – perfect for backing up to your cargo or hooking up a trailer. (Navigation Radio System version shown.)

B. TELESCOPING TRAILER TOW MIRRORS

E-Series Cargo Vans come with these standard manually telescoping/folding trailer tow mirrors. They let you see around big trailers and provide large viewing areas. All E-Series driver sideview mirrors now include integrated spotter lenses to help optimize your field of view.

A wide range of storage solutions by Masterack® can help keep you organized, all available at no extra charge.¹

A, B & C. QUIETFLEX® III COMPOSITE RACKS AND BINS PACKAGE

Talk about versatility. The E-Track Cargo Management System **A** is located behind the driver bulkhead. The removable toolbox **B** can be carried to a job site. Bottom-tapered uprights allow 4'-wide sheet storage. Snap-in Dividers **C** reconfigure or remove instantly without tools.

D. MASTERACK STEEL RACKS AND BINS

This rugged package includes a set of steel cabinets, shelves, drawers and shelf dividers. It's ideal for secure storage of tools and parts. A full-width, lockable safety partition provides work area access from the passenger compartment.

E. ECONOCARGO™ CARGO MANAGEMENT SYSTEM

Durable panels of high-density polyethylene help keep cargo in place and offer an advantage: Functional insulation helps the E-Series interior retain heat and cold. That's a definite plus for dozens of applications, including food service, produce delivery, medical supply and more. (Color of strap may vary.)

STEEL-REINFORCED REAR LICENSE PLATE HOUSING

This rugged enhancement **F** also includes a steel lock cylinder flange. It boosts the tamper resistance of the rear door locking mechanism. Standard on Vans and Wagons.

SECURILOCK® PASSIVE ANTI-THEFT IGNITION SYSTEM

Designed to help prevent the engine from being started unless a coded key programmed to your vehicle is used. Available on single-rear-wheel models only.

AERIAL BUCKET CARGO VAN SUSPENSION PACKAGE

This option is available on E-350 Vans, and includes heavy-duty front and rear springs to help balance the weight of a bucket mechanism and rear-bumper platform.

E-GUARD CARGO PROTECTION SYSTEM

A segment-exclusive option featuring reinforced rear- and side-door locks **G**, E-Guard is available on Commercial Vans with 60/40 split side cargo doors. To provide an even higher level of security, the system is designed to be unlocked only with the vehicle key, even on models with remote keyless entry.

¹To eligible customers under the Ford Commercial Services Program.

E-350 Cutaway in Oxford White with Cube Van Upfit and available equipment

E-250 SUPER DUTY® CUTAWAYS

A compact design and rugged 4.6L Flexible Fuel-capable V8 defines the first level in the E-Series Cutaway lineup. With its mid-ship fuel tank location, you benefit from enhanced rear load capacity.

SRW E-350 SUPER DUTY CUTAWAYS

The SRW configuration offers a GVWR of up to 10,050 lbs. A mid-ship fuel tank location delivers enhanced rear load capacity. Available on 138" SRW wheelbase with 5.4L V8 FFV only.

E-350 SUPER DUTY CUTAWAYS

Supremely versatile heavy-duty Cutaways, the E-350 lineup offers 3 powertrain choices as well as optional Shuttle Bus Prep, Ambulance, Motorhome and School Bus Packages. 158" and 176" wheelbase chassis are available with a class-leading 5000-lb. front GAWR and a GVWR of up to 12,500 lbs.

E-450 SUPER DUTY CUTAWAYS

E-450 offers a standard 5.4L V8 FFV. You can spec giant payloads (see chart below), and select GCWRs up to 20,000 lbs.¹ for outstanding towing capability. A 5000-lb. front GAWR is standard with an optional 6.8L V10 or 6.0L Power Stroke® V8 Turbo Diesel. An available 40-gal. fuel tank provides more usable rear GAWR. The standard 4-wheel disc brake system with ABS provides the stopping power you need to handle huge loads.

STRIPPED CHASSIS

What's your application and what do you want to build? We've got the platform that can put it on the road. Learn more when you visit commtruck.ford.com/vehicles/stripped_chassis/.

AMBULANCE PREP PACKAGE

For 2010, the standard engine is the workhorse V10 gas engine with 305 hp and 420 lb.-ft. of torque on tap.

MAXIMUM CAPABILITIES (LBS.) ²	GVWR	PAYLOAD
E-250 CUTAWAY SRW	8600	4302
E-350 CUTAWAY SRW	9600 – 10,050	5268
E-350 CUTAWAY DRW	10,000 – 12,500	7376
E-450 CUTAWAY DRW	14,050 – 14,500	9040
E-350 STRIPPED CHASSIS SRW	9000 – 9600	5368
E-350 STRIPPED CHASSIS DRW	10,000 – 12,500	8026
E-450 STRIPPED CHASSIS DRW	14,050 – 14,500	9747

¹See your Ford Dealer for details. ²Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements.

2010
E-SERIES **BUILT Ford TOUGH**

EVERYBODY INTO THE WAGON

E-350 15-Passenger Extended Length Wagon in Medium Pebble Cloth with available equipment

With **room and comfort to spare**, everybody gets the VIP treatment. E-Series Wagons welcome big crews and all their gear. **Air conditioning is standard.** Seating includes 7-, 8-, 11-, 12-, 14-, or 15-passenger¹ options, with a center-aisle ship-thru option too. All rear bench seats have center-position, 3-point, seat-integrated safety belts. A self-latching system makes rear seats easy to remove and re-install. Lots of comfort. **Lots of choices. That's E-Series Wagon.**

¹Passenger and cargo capacity limited by weight and weight distribution. 11-, 12-, 14- and 15-passenger vehicles may be classified as buses and may require appropriate licensing.

REVERSE SENSING SYSTEM

When activated, this optional feature works automatically when slowly backing up or parallel parking. It senses certain objects up to 6' behind your vehicle, beeping more rapidly as you get closer – a big help when full vehicle loads limit your rear visibility. Available on Vans and Wagons with rear step or contour bumpers.

XLT PREMIUM PACKAGE

Add optional luxuries to dress up your 7-passenger E-150 XLT Regular Length Wagon. This package features 1st- and 2nd-row leather-trimmed captain's chairs, Ford SYNC[®] a standard 6-way power driver seat, remote keyless entry, a leather-wrapped steering wheel and privacy glass. Exterior appointments include forged-aluminum wheels and running boards.

MOBILITY MOTORING

ACCESSIBILITY UPFITTING

E-Series is an outstanding mobility choice. Aftermarket upfits such as a fully automatic wheelchair lift, raised roof, flip seating, wheelchair restraint system and hand controls are available. Discover a world of possibilities at mobilitymotoringprogram.com.

¹Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. ²For maximum trailer weights with Crew Van, deduct 200 lbs. from the weights shown (except with 18,500 lbs. and 20,000 lbs. GCWR). ³E-350 SRW Cutaway with 5.4L V8 only (midship fuel tank) 10,600-lb. GCWR.

New Vehicle Limited Warranty. We want your Ford E-Series ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

THE FACTS ABOUT FORD.

Quality Trucks.

FACT: Ford has **more trucks on the road with over 250,000 miles** than any other brand.¹ And Ford F-Series has been **America's best-selling line of trucks** for 32 years in a row.

Green Trucks.

FACT: Ford vans and pickups achieve **best-in-class or unsurpassed fuel economy** in 2 different classes.² And Power Stroke[®] diesels meet stringent federal emissions standards with **Ford Clean Diesel Technology.**[™]

Safe Trucks.

FACT: We're working to help keep you and yours safe. **AdvanceTrac[®] with RSC^{®3}** is now available on more Ford Truck models than ever. And F-150's extensive safety features help make it **America's Safest Full-Size Pickup.**⁴

Smart Trucks.

FACT: From **exclusive box-side and tailgate steps to Ford Work Solutions[™]** to **Ford SYNC[®]**, no other brand of trucks offers **more innovative technology and productivity tools** to help you get the job done.

Visit commtruck.ford.com to learn more.

¹Based on vehicle registration data and latest odometer readings available to R. L. Polk & Co. for 1992 and newer model year full-size pickups and vans still on the road in the U.S. as of April 2008. ²Based on Ranger 2010 EPA-estimated 22 mpg city/27 hwy., 4x2 with 2.3L engine and 5-speed manual transmission; and Transit Connect Small Van 2010 EPA-estimated 22 mpg city/25 hwy. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit fordvehicles.com. ⁴Based on both NHTSA 5-Star crash test ratings and IIHS Top Safety Pick. Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov).
